EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Evan Witt on 10 December 2004.

The application has been amended as follows:

In claim 1, line 7, the phrase "the compressive" has been changed to the phrase: -- a compressive -- and the phrase "the permeability" has been changed to the phrase: -- a permeability --.

In claim 5, line 2, the phrase "wherein a liquid" has been deleted and replaced with the phrase -- further comprising a --.

In claim 5, line 3, the term "is" has been deleted.

In claim 5, line 4, the phrase "layer to prevent sliding on the surface" has been deleted.

In claim 6, line 2, the phrase "wherein a liquid" has been deleted and replaced with the phrase -- further comprising a --.

In claim 6, line 3, the term "is" has been deleted.

In claim 6, line 4, the phrase "layer to prevent sliding on the surface" has been deleted.

In claim 7, line 2, the term "and" has been changed to -- or --.

In claim 8, line 2, the term "and" has been changed to -- or --.

REASONS FOR ALLOWANCE

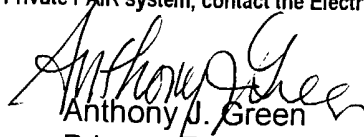

2. The following is an examiner's statement of reasons for allowance: The prior art of record, which is the most pertinent art found, fails to teach and/or fairly suggest the instant invention. The change from " kg/m^2 " to " kg/m^3 " and from " g/m^2 " to " g/m^3 " in the specification and the claims made by applicant in the response is not new matter as it appears to have been a typographical error as the priority document shows the use of the units of " kg/m^3 " and " g/m^3 ".

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Anthony J. Green whose telephone number is 571-272-1367. The examiner can normally be reached on Monday-Thursday 6:30-4:00.
